

# LIBRARY BRIDGES: FOSTERING INCLUSION FOR PEOPLE WITH A MIGRATION BACKGROUND

# CREATION

THROUGH THE DIFFERENT WAVE OF MIGRATION LIBRARY HAS ACTED AS A PLACE OF REFUGE , AN INCONDIBLE HOME, AND HAS SHOWN A STRONG CAPACITY TO ADAPT.

HOWEVER, THERE IS A CERTAIN LACK OF TOOLS AND RESOURCES

- How can we define the library's role in an ecosystem of players?
- What existing initiatives, obstacles and needs do librarians have?
- What are the needs of target audiences?
- How to share and perpetuate expertise?
